

Helitack Operations Coordinator (In Training)
Southeast Region
Recruitment # 2007-01-5371

- INTERNAL ONLY -

AGENCY MISSION AND CHALLENGE:

The mission of the Department of Natural Resources (DNR) is to provide professional, forward-looking stewardship of our state lands, natural resources, and environment. DNR provides leadership under the Commissioner of Public Lands, an elected official, in creating a sustainable future for the State Trust Lands.

At the DNR, we envision a future in which our human and natural environment provides abundant and diverse social, ecological, and economic benefits for the people of Washington, in this and all future generations. In acting to ensure the vision, we ensure sustainability.

DNR manages over 5 million acres of state-owned land that includes forest, range, commercial, agricultural and aquatic lands. Since 1970 DNR-managed lands have generated \$6 billion that support public schools, state institutions and county services. These lands also provide public benefits that include fish and wildlife habitat, clean and abundant water and public access to outdoor recreation. The DNR operates with a biennial budget of approximately \$400 million and has over 1300 employees. For more information about the department, see the DNR website at www.dnr.wa.gov

POSITION PROFILE

Note: Incumbent must successfully complete a 6-18 month training plan before promoting to the NRCM1 level.

Under the direction of the Assistant Region Manager, Resource Protection and Services, this position plans, coordinates and implements staffing, training, supervision and operational activities of the Helitack seasonal staff of 28 and a fleet of 9 helicopters performing agency-wide wildland fire air operation pre-suppression and suppression activities. Other duties include but are not limited to:

- Participates in statewide fire suppression activities for initial attack, extended attack, mop-up, patrol and rehabilitation.
- Provides supervision and pre-suppression and suppression assignments for the Helitack Unit (3 seasonal career Forest Crew Supervisors, 16 Natural Resource Workers and 9 Fire Fighters)
- Plans, coordinates and ensures all helitack crew members have up to date aviation trainings and certifications\
- Ensures tools and equipment used by unit are repaired and/or maintained
- Participates in the recruitment, screening, interviewing of Helitack positions
- Creates and maintains staffing schedules for helicopters and staging area assignments
- Ensures compliance of work projects such as: helicopter and equipment maintenance, fuel truck maintenance and readiness, compound projects and forest projects
- Ensures proper training documentation, aviation documentation and employee paper work is completed and submitted per appropriate deadline

This announcement is published by the Washington State Department of Natural Resources (DNR). The DNR is an equal opportunity employer.

Women, racial, and ethnic minorities, persons of disability, and disabled and Vietnam-era veterans are encouraged to apply. Persons with a disability who need assistance during the screening process, or those needing this announcement in an alternative format may contact DNR's ADA Coordinator at (360) 902-1150. DNR may be contacted using the Washington State Telecommunications Relay Service (TTY) by dialing 711.

REQUIRED POSITION QUALIFICATIONS

This position requires the incumbent/candidate to have the following key knowledge and skills in order to perform the job functions described above:

- Fire behavior, fire weather, fire hazard, fire risk analyses and wildland firefighting techniques
- Management and supervisory skills
- Incident Command System
- Basic computer skills – word processing and spreadsheets

This level of knowledge and skill is typically achieved with:

- Five or more seasons of full time wildland firefighting/initial attack experience, of which two seasons includes supervisory duties.

DESIRED POSITION QUALIFICATIONS

- ICS rated at Helibase Manager 1 level
- ICS rated at Task Force Leader level
- DNR Helicopter Operation Plan (May 19, 2005) and Interagency Helicopter Operation Guide (IHOG). Tactical and administrative aircraft capabilities and limitations including pilot and aircraft certification programs, aircraft contracting, and air operations safety.
- Two seasons of Helitack related experience including supervision
- CDL – Class B with hazmat, tank and airbrakes endorsements.
- Supervisory/Management Training and experience

SPECIAL POSITION REQUIREMENTS AND WORKING CONDITIONS

- Must possess a valid driver's license and two years of driving experience
- Must possess Incident Commander Type 4 rating
- Within 12 months must possess Helicopter Boss rating, and within 24 months must possess Helibase Manager 2 rating
- Must pass work capacity test at the arduous level
- Ability to work on uneven terrain in all weather conditions
- The incumbent in this position is required to travel
- Must be at least 18 years of age at the time of hire

WHO MAY APPLY

This recruitment is open to anyone who meets the required qualifications for this position.

APPLICATION PROCESS
